Product Description

Mivv X-M5 Black Steel Full System Exhaust

T.022.SC5B Made to improve the aesthetics, sound and performance of the motorcycle, the Mivv slip-on exhaust comes from the utmost attention to design, with the aim of satisfying those who want to stand out, even through the look of their bike. The Mivv X-M5 line, the result of the experience gained in the MotoGP, Moto2 and Moto3 world championships, is the perfect synthesis of racing style and performance. With a design inspired by the exhausts made for the World Championship, the X-M5 silencer has a conical shape and compact dimensions capable of emitting the captivating MIVV sound. It is equipped with a 3K twill carbon cap and is equipped with a removable protective grille that hides the dB-killer. The Black version is characterized by a central body in black 304 stainless steel with "Black Moon" effect, a finish obtained thanks to a special ceramic-based painting process.
