Product Description

Nils Remove & Clean Spray

53733

Nils Remove & Clean Spray is a very useful spray for the effortless removal of labels/stickers and most part of the glues, from every surface. REMOVE & CLEAN SPRAY is a product formulated according to FDA specifications and 2probity A1, K1 and K3 certified. Nils Remove & Clean Spray being A1 certified, can be used as a generic detergent to clean every treated part.

Ideal for removing stickers, labels and glue from motorcycle fairings. Works well on all plastic parts.
